There are 1.2 million girls on 85,000 teams playing youth softball in ASA programs.

3,075,000 people play ASA Softball a year.

53-percent of slow pitch players are male.

75-percent of slow pitch players are female.

ACE Certification

It is now mandatory that all teams playing in Championship play must have at least one coach on the team ACE certified. It is now required that all league Coaches & Team Moms that are on the field or in the dugouts must show proof of a background check, this is to be visible at all times. You can register for background checks on line at the ASA web site.

Do not wait until time for District or State tournaments to get this done, you need to get this done now.

DISTRICT WEB SITE

The district web site is up and running. There are now a number of features available to you and the coaches in your league.

CHAMPIONSHIP PLAY

Attention A Teams

All A teams can go directly to a National Tournament. They must compete in the State tournaments to qualify, it does not matter where they finish, they can go directly to Nationals.
